What's New In Certificate of Need?

RE-ORGANIZATION OF HEALTH PLANNING

As many of you may already be aware, several programs and sections within the Department of Community Health have been recently reorganized. As part of this reorganization, the former Certificate of Need and Health Planning sections have been combined into a single Division of Health Planning. Robert M. Rozier has been appointed to serve as the Executive Director of the Division.

RELOCATION AND ADDRESS CHANGE

In order to improve the efficiency and functionality of the combined Division, on May 19, 2006, the Division of Health Planning will relocate to the 5th Floor of Two Peachtree Street. All staff members of the former Certificate of Need and Health Planning sections will operate out of this single location. The main contact information for the Division from that point will be as follows:

Division of Health Planning
Department of Community Health
2 Peachtree Street, NW
5th Floor
Atlanta, Georgia 30303-3159

Phone (404) 656-0655
Fax (404) 656-0654

The phone number of each staff member will remain the same as it is currently. The Department's mail room will forward any correspondence addressed to the 40th and 34th floors to the Division's new 5th floor offices; however, beginning on May 19, 2006, please make every attempt to use the address listed above.

APPLICATIONS AND FORMS

The Division is in the process of updating its applications and forms to indicate the appropriate address and telephone contact information. These updated forms will be posted to the Department's website on May 15, 2006. Please utilize these updated forms once they have been posted. As the format of these forms will also be adjusted to improve the image quality of our scanned and imaged files, these reformatted forms will become mandatory beginning June 15, 2006. Once the reformatted forms and applications are placed on our website, ensure that you are submitting the correct forms to the Department by verifying the revision date listed on the form in the lower left-hand corner.

In addition, the Department is in the process of updating its Health Planning rules to reflect the address change as appropriate.

All health planning and certificate of need correspondence previously directed to Rhathelia Stroud, Richard Greene, or Neal Childers should be directed to Robert Rozier at the 5th floor address beginning May 19, 2006. Directing all of your correspondence to this central source will ensure that it is handled in a timely fashion as the Division will no longer be physically located in the Office of General Counsel.

HEALTH PLANNING REVIEW BOARD ADDRESS CHANGE

In addition to correspondence to the Division, all correspondence to the Health Planning Review Board should be directed to the Division's 5th floor address as well. The Health Planning Review Board is in the process of updating its rules to reflect the address change as appropriate.

PUBLIC RECORDS REQUESTS

Beginning May 23, 2006, public health planning records will be located on the 5th floor. These files will no longer be available for public inspection on the 34th floor beginning May 11 because these files will be packed for relocation to the 5th floor. Public viewing hours will be suspended from May 15-May 26. Requests for copies of public records received before May 17 will be handled normally. Written request received May 18 or 19 will be handled after May 23.

APPLICATION SUBMISSION

Certificate of Need applications may continue to be delivered to the 40th floor until May 19, 2006. Beginning on May 19, all applications and forms should be delivered to the 5th floor File Room. The 5th floor File Room will serve as the central location for public viewing, reception for 60 day and other meetings, and submission of all forms and applications. The File Room will be located just inside the main doors to the right as you exit the elevators on the 5th floor. Once you enter the main doors, the file room is located immediately to your left. Beginning on May 19, please ensure that all couriers are made aware of the appropriate delivery location.
